

Resources to help your students thrive — all free with the Camarillo Library Card

Resources at the Camarillo Public Library are available to anyone who has a library card. Students can turn to the library for materials, programs and services that support academic achievement.

Students can use their library cards from home, too. Our library offers access to important educational tools, such as online resources that students can access from home with a library card. These include online homework help and online homework resources covering biographies, history, science, countries, culture and more. Our catalog also features a wide variety of eBooks and eAudiobooks, with over 1500 titles and growing!

Our collection strives to serve the entire community; although we cannot support the school curriculum directly, we do try to enrich and supplement your efforts as we can.

These are just some of our free resources that support your students' achievement!

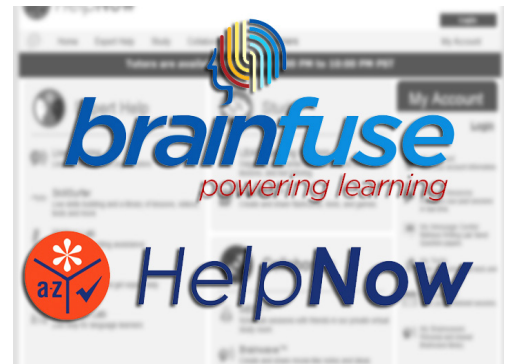

PAWS for Reading

Reluctant readers love to read to our service dogs. Dogs that participate in the program are all certified service or therapy dogs and act as an incentive for children to read. The dogs are great listeners and give the child a sense of comfort and encouragement while reading.

K-8 Homework Center

Teen and adult volunteers are available to help students Monday, Tuesday, Wednesday 3:00-6:00 pm and Thursday 2:00 – 6:00. In addition there are ten dedicated computers with Microsoft Office programs and Internet access.

Online Tutoring

Live, degreed tutors are available online seven days a week from 1:00 pm to 10:00 pm. 80% of HelpNow! tutors have a Masters degrees or higher, and Spanish speaking tutors are also available.
