## **G. PUBLIC HEARING**

### **1. Public Hearings 2022-2023 LCAP (2:15-2:21)**

In accordance with Education Code 52062, a public hearing to solicit the recommendations and comments of the public regarding the proposed University Preparation Charter School (UPCS)

Local Control Accountability Plan (LCAP) is being held. The K-12 finance system utilizes the Local Control Funding Formula (LCFF) which includes base, supplemental, and concentration grants as the funding streams. As part of the LCFF, local education agencies and County Offices of Education are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP), using a template adopted by the California State Board of Education (SBE). The LCAP is required to identify goals and measure progress for student groups across multiple performance indicators. School districts and County Offices of Education are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP), this process is recommended for charter schools, but not required. The UPCS LCAP has been developed with the input from diverse groups of educational partners. As required by Education Code, this is the 2021-2022 annual update to the LCAP. Adoption of the UPCS 2022-2023 LCAP is scheduled for June 29, 2022. As with any public comment session, members of the Board may not engage in conversation with individuals who may comment. However, members of the Board will consider the comments made in their deliberation.

### **2. Public hearing 22-23 Budget**

Education code requires that prior to the adoption of the budget, the Board of Directors must convene a hearing specifically for members of the public to comment on the proposed school budget. As with any public comment session, members of the Board may not engage in conversation with individuals who may comment. However, members of the Board will consider the comments made in their deliberation.
